

# KAMP FOR A KAUSE TO BENEFIT THE KARING HOME YOUTH PROJECT RESCHEDULED TO 2024

**FOR IMMEDIATE RELEASE**

*GAYLORD, MI*

The Karing Home Youth Project Board of Directors unanimously voted to reschedule their upcoming fundraising event, *Kamp for a Kause*, to 2024.

The fundraising event was scheduled to take place at Gaylord Community Field overnight on April 29th starting at 8pm and concluding April 30th at 8 am.

The KHYP Board of Directors also voted that an announcement on the new date would be released to the public later this year to allow all involved parties the time to consider what will work best.

A statement from Founder & Board President, Kari Jo Stefanski:

"We are saddened to have to reschedule Kamp for a Kause. We initially had this event planned for April of 2020 and put it on hold due to the pandemic. Unfortunately, due to a lack of community participation and elements outside of our control, I proposed to the KHYP Board that we move to reschedule Kamp for a Kause to 2024 to be able to make it the best it can be. We are thankful to all those who have registered, sponsored, volunteered, and planned this event thus far.

This postponement comes at a great time of need for not only our organization but for young people who experience adversity in the face of homelessness in Otsego County. Due to a lack of housing, we are being forced to house 10 young people in local motels alone just this month. This costs our organization \$50/day per young person. We look forward to continuing to serve vulnerable youth in our community."

If you are willing and able to make a financial contribution to our nonprofit organization, please consider donating at the following link: [www.thekaringhomeyouthproject.org/donate](http://www.thekaringhomeyouthproject.org/donate)

*Thank you for your continued support of KHYP*
